VIEWSKY® Hard Shell Roof Top Tent

VIEWSKY® Roof Top Tent was designed by outdoor living enthusiasts and automotive engineers in 2020. At very beginning, we want to design a Roof Top Tent, which is similar with motorhome and should be afforded by most people, meantime, it is all-season products and suitable for most SUV and Pickup truck.

UV-RTT-I is the first-generation Roof Top Tent, which was launched in 2021, it is suitable for limited car, for example, Prado, Jeep Wrangler, Pickup (Tundra, F150, Dodge, etc.). But it become very popular product in very short time.

Therefore, we decided to design the second-generation Roof Top Tent, which should be suitable for most SUV and Pickup. Finally, we launched it in July, 2022, the model is **UV-RTT-II**. UV-RTT-II offers lighter weight, smaller size, stronger and suitable for 95% SUV and Pickup truck. Meantime, it offers more optional parts, including Roof window, fascinating LED light, heater, air conditioner, side awning, roof rack, etc.

Comparing other similar products, VIEWSKY® Roof Top Tent is 100% water-proof, electric-lifting, and luxurious. Today, more than 1450 clients are using VIEWSKY® Roof Top Tent for wonderful outdoor living.

VIEWSKY® is a trademark belongs to UVPLASTIC, which is a famous brand of outdoor products including Polycarbonate [Bubble Tent](#), [Clear Kayak](#), Roof Top Tent, Mini-greenhouse, Aluminum Gazebos, etc. Now, we are providing more and more outdoor products with high cost-efficiency to global clients.
